

QUALITY POLICY STATEMENT

Graffiti Busters Ltd recognises that a commitment to quality assurance is paramount in order to achieve the required level of client satisfaction. Our quality assurance programme conforms to the requirements of BS EN ISO 9002.

It is our policy to ensure that all work undertaken by Graffiti Busters meets standards recognised by national quality services through the implementation of a quality system which involves the use of systematic, planned and cost effective procedures.

The quality programme is issued by the managing director and it is a mandatory requirement that all, managers, supervisors and staff employed comply with the policy, services and procedures contained within it.

Our quality assurance policy will be reviewed on a 6 monthly basis to ensure continual improvement.
